

November 02, 2001

Dear Rotarians:

This letter will explain the Foundation program our club will be using for November, which is Rotary Foundation Month. Please read it carefully and if you have any questions please call either Mike Renken 336-3801 or Anne-Marie Crampton 336-1520.

### **Lamar Rotary Club - Rotary Foundation Plan for November.**

1. Rotary's Sustaining Member program requires that a minimum of \$100 be contributed each year to the Foundation. Rotary also requests that each Sustaining Member sign a pledge card for that continuing gift. Enclosed is a pledge card for your convenience.
2. The Lamar Rotary Club will offer matching funds from the club up to \$50 for each member contribution to the Foundation. This will only be for a check written in November to the club and not involve the payments made with dues.
3. We will have four Paul Harris Fellow drawings this month for \$100 each.
4. For everyone that has contributed \$50 for the matching club funds and have signed a pledge sheet we will enter your name in a drawing. That drawing will have 3 prizes. Grand prize is \$300 contributed to your PH account. Two second prizes of \$200 contributed to PH account.
5. The final event is a football contest. K State and Nebraska play in November. Colorado and Nebraska play in November. Members who want to be involved put up \$25 each for each game for which they want to participate. The club will then match those funds. Members indicate who they think will win each of the games. The 2 games will be treated separately. The members who picked the winning team will then share the funds available from that game and those funds will be contributed to Foundation in their name.

Yours In Rotary

R. Michael Renken, Foundation Coordinator 2001-02.
